Policy and Procedure  
Sliding Scale Pay  
Date Established: 7/16/2023  
Updated: 7/24/2023

1. Sliding scale must be requested by the client or prospective client.
2. Sliding scale is based on income from the prior year's tax return as well as based on the most recent two check stubs.
3. The client can email the above to our main email or bring it into the office.
4. Two sliding scale rates are available

a.

| Household Size (Only those Claimed on Taxes) | Group 2 Income Yearly | Group 1 Income Yearly |
|----------------------------------------------|-----------------------|-----------------------|
| 1                                            | \$0-23783             | \$23784-\$27180       |
| 2                                            | \$27466-32043         | \$32044-\$36620       |
| 3                                            | \$34546-\$40303       | \$40,304-\$46060      |
| 4                                            | \$41626-\$48563       | \$48564-\$55500       |
| 5                                            | \$48706-\$56823       | \$56824-\$64940       |

b. Group 1 Pricing:

- i. Initial Visit \$195 or one hour visits with NP
- ii. Therapy visits \$130
- iii. Med management follow ups \$125

c. Group 2 Pricing

- i. Initial visit \$175 or one hour visits with NP
- ii. Therapy visits \$110
